Christmas Community Funding Policy

About the Scheme

Brandon and Byshottles Parish Council recognises the valuable contribution that local organisations, schools and community groups make in supporting residents during the Christmas period.

Each year, the Parish Council may allocate funding within its budget to provide financial assistance towards Christmas activities, events or initiatives that benefit residents of the parish.

Member Nominations

Members in each ward are asked to identify and provide a list of local schools, community groups and other local organisations within their ward that they wish to support financially at Christmas.

Members are responsible for ensuring that the information provided is accurate, up to date and representative of the local area. Members should only nominate organisations that provide a benefit to residents within the parish.

The completed lists will be considered by the Parish Council before any donations are approved.

Funding Amount

Funding will normally be limited to no more than £200 per award; however, the Parish Council may consider a larger award in exceptional circumstances where there is a clear and justifiable benefit to the local community.

Further Information

Please note that receiving a grant does not guarantee funding in future years.

The Parish Council's decision is final.
